

STANDING ADVISORY COMMITTEE FOR RESEARCH ON WATER  
REQUIREMENTS OF CROPS.

The Government of India, on the recommendation of the Central Board of Irrigation, have appointed a Standing Advisory Committee for research on water requirements of crops consisting of representatives of the Central Board of Irrigation, Ministry of Agriculture and the Meteorological Department.

2. The Committee will advise on research already being conducted in regard to the most advantageous use of water for agricultural purposes and problems incidental thereto. It will study and co-ordinate research work already being done by the Indian Council of Agricultural Research, the Agriculture and Irrigation Departments in the provinces and also the work done in connection with the various multipurpose projects, and advise on the most satisfactory method of achieving optimum results in the line of research. The functions of the Committee will thus be primarily technical and advisory, actual research being taken up and conducted by bodies, most suitable therefor.
